

Windsor Lakes

Paint Program

We have been selected by your Board of Directors to complete your Paint Program.

Painting will begin on Wednesday, March 2nd. Power washing and then painting. Our hours on site are typically 9:00 - 4:00, M-F. If we have inclement weather, we may not be working on your homes those days.

HOMEOWNERS ARE RESPONSIBLE FOR THEIR OWN REPAIRS. ANYTHING NOT REPAIRED BY THE TIME IT IS TIME TO PAINT THE DAMAGE WILL BE PAINTED OVER.

The homes in this year's program are on the following streets and will be worked on in the order listed below:

Bagpipe

Limerick Lane

Lake Windsor Circle

South Londen Green

Marlow Way

Tarrytown Way

South Dylanshire Circle

Greenwich Place

We ask that you remove all items such as art, frames, mirrors, etc. from the exterior walls (including front and back patios) that are to be worked on and painted as these items could fall during the process. We are not responsible for breakage of these items.

We will cover and protect your property however, it's best to simply move items inside your garage.

Please put all dogs inside your homes and do not leave on the back patios as this will delay the repairs and painting of your back patios.

Please shut all blinds and or window coverings or take precautions since the crews will be looking through the windows while painting around the window openings.

Should you have any questions or concerns you may speak with our Superintendent, Neil Reynoso (Neil@greaterhoustonpropertyservices.com) or Service Manager, Beth Cargal (Beth@greaterhoustonpropertyservices.com).

Your cooperation during the renovations is highly appreciated.
